Dear Parents

As you know, various teachers from the Music Department have visited Middle School during this week to introduce the children to the instruments that they teach. We very much hope that this has been an interesting and inspiring experience. If your child would like to have a trial lesson or to start lessons please complete the form below and return it to me.

If you would like to talk to the instrumental teacher or to me for further details please let me know and I will contact you.

Please be aware that if your child has instrumental lessons you will need to provide them with an instrument and that there is an additional charge for lessons.

Yours sincerely

*Joanna Havelock*
