Dear Parents,

'Choosing a Senior School' presentation

As you will have seen from your calendar, on Wednesday, 3rd March at 7.00pm in the Barn, I will be giving a talk for all parents who wish to learn more about how to choose the best senior school for your children, what preparation we provide, whether scholarship is the right route, what Common Entrance is and what the various entrance procedures are for the schools we feed. During the evening I shall be speaking about the many different schools to which we send pupils and addressing the points you should consider in order to make the right choice for your child. I will, of course, be happy to answer any questions, too.

I will be repeating this presentation annually, so if you feel this was something you would prefer to delay until next year or beyond, then there will be other opportunities to attend.

Please remember that I am very happy to meet parents on an individual basis who would like to discuss their children's future education, and some of you who are starting out on this journey may find this presentation a useful starting point. After my talk, there will be an opportunity to ask questions.

'Next Steps' evening

On Thursday, 18th March, we shall be holding a 'Next Steps' evening' at 7.00pm in the Sports Hall at which 29 senior schools will be represented. This will be an ideal occasion on which to get an overview of a wide range of schools, to speak to staff and to learn more about the schools you may be considering. Alternatively, this might be the time simply to have a look at what is available. Those of you who have already visited schools, might find it helpful to speak again to admissions staff and to ask any further questions you may have. Whatever stage you are at, we do hope that you will come along and take advantage of this excellent opportunity.

To give us an idea of numbers for both events, I would be grateful if you would return the attached reply slip by Friday, 26th February.

With best wishes,

Please return to Mrs Nobes in the Front Hall
