

ST HUGH'S SCHOOL

MEDICAL UPDATE FORM

When your child joined the school you completed a medical form. As you will appreciate, it is important for us to keep our records up to date and we would therefore be grateful if you would complete and return this form to the senior matron, with details of any changes to the medical information you have given us in the past. It is, of course, important that you routinely let us know of any such changes as soon as they occur.

Name of pupil:

1. Is there any additional medical information you wish to give us? Yes/No*
(*Please delete as appropriate.)

If 'No' then please go to section 7.

2. Please give details of any immunisations which have been given to your child since joining the school.

3. Please give details of any changes or additions to the information you gave when your child entered the school, eg the onset of asthma, eczema, hayfever, allergic reactions, hearing or sight problems, etc.

4. Please give details of any medical/surgical investigations or procedures which have taken place since completion of your original medical form.

5. Please give or reconfirm information about any medical treatment your child is receiving.

6. Please reconfirm whether there is any reason why your child should not take part in normal school sports and activities. Yes/No (*delete as appropriate*)

If 'Yes' please give details.

7. Please confirm details of your family GP:

Name: Telephone no:

Address:.....

8. Although you will have signed permission slips in the past, we felt it would be helpful to offer you the opportunity to give separate permissions for the following and we would therefore be grateful if you would complete these sections again.

The school keeps a small stock of medicines, creams, etc, all of which are non-prescription remedies. They are Calpol Infant, Calpol 6 plus, Paracetamol, Glycerine Honey and Lemon, TCP Lozengers, Anthisan, Homeopathic Creams – Arnica and Hypercal. If you are happy for them to do so, authorised school staff will administer these as is necessary and appropriate, according to the stated dose. Please sign the statement below if you are happy to give permission for this.

I give my permission for authorised members of St Hugh's School staff to administer non-prescription remedies as thought necessary and appropriate.

Signed

Date:

In cases of illness or injury at school we will always try to make contact with parents or, if we are unable to do so, their nominated person. It is however possible that, should we be unable to contact parents, we may, in an emergency, need to make decisions on their behalf.

Please complete the permission slip below if you are happy for us to do so.

I agree that in an emergency, where urgent medical/surgical/dental treatment is required and a parent or nominated person cannot be contacted, the school is empowered to give permission for such treatment to be given.
