

# This is how we behave in the playground...

- Ⓢ We are always kind and caring, and share the toys.
- Ⓢ We always stay within sight of the grown-ups on duty.
- Ⓢ We always ask a grown-up if we need to go inside.
- Ⓢ We take great care when playing near the swings or on the pathways and we watch out for the bikes!
- Ⓢ When we ride the tricycles and scooters we always look where we are going!
- Ⓢ We keep away from the woods at the moment.
- Ⓢ We NEVER push each other on the apparatus or climb too high.
- Ⓢ We do not pull each other's clothes or grab each other by the neck.
- Ⓢ We NEVER hit, pinch or bite another child.
- Ⓢ We NEVER throw stones, soil, bark or sand and we do not play with sticks.
- Ⓢ We do not swing on the football posts or play on the steps or the bars outside year 2.
- Ⓢ We do not clamber on the seats or play underneath the outside classroom.
- Ⓢ We do not dig holes in the grass or damage the trees and plants.
- Ⓢ We do not yell or scream.
- Ⓢ We take off our shoes when we go in the sandpit and brush up the sand when we leave.
- Ⓢ We make sure we do not have food or snacks in the sandpit or leave our rubbish there.
- Ⓢ We do not leave rubbish in the playground and we always take our litter with us when we go.
- Ⓢ We always check that we have all our belongings before we leave the playground.

We DO have lots of fun when we play!
