

## How to Label Year 3-8 Boys' New Reversible Rugby/Football Shirt and Rugby /Football Shorts

### Shirt

The large sports label should be along the **bottom left seam** of the **STRIPED** side of the shirt. (There is no need to sew a label on the reversible side).

### Shorts

The shorts should be labelled along the **bottom right front seam**.

### Socks

The socks do not require a large label but should be named with a secure woven name tape, please, on the inside of the turnover or on the foot of the sock.

Please find below a larger visual representation of where the labels should be sewn on the new reversible rugby top and on the rugby shorts:
